

### About the college

B. N. College, Dhubri has the privilege of having a healthy, harmonious ambience and rich values which have played pivotal role in shaping the future of innumerable students. Our mission is to transform students into rational thinkers, competent workers, law abiding citizens and spiritually enlightened individuals. This is our firm belief that the rich values and traditions imbibed here would carry you to great heights.

The vision of B. N. College is to provide quality higher education with an attempt to inspire, prepare, and empower students of its catchment area to succeed in a changing world.

### About the competition

A life without Idea is an unfulfilled existence. Not only having idea is important, but to express them, share them, and implement them is what makes a difference in this world. Institutional Innovation Council, B. N. College is going to organise a state level competition on Innovative Idea for the first time. This competition is an opportunity for the students to showcase their innovative ideas and help the society with the creative thinking.

As the organising team, we encourage you to enter the Innovative Idea competition. Share your innovation with your fellow counterparts across the states. Why?? Your counterparts have the same or similar concerns and issues as you do. In addition, sharing your innovation empowers your road crew and is a great moral booster.
