“Medicinal Plants: Conservation and Cultivation in North East India”**

Organizer: Environment and Climate Cell and Department of Botany, BN College, Dhubri

Resource Person: Prof. Abhaya Prasad Das, Adjunct Professor, Rajiv Gandhi University, Arunachal Pradesh.

Moderator: Mr. Sadiqul Ahmed, Assistant Professor, Department of Botany

Participants:

1. Teachers and students of Adopted Schools
2. Faculties of BN College, Dhubri
3. Students of BN College, Dhubri

A Webinar was organized jointly by the Environment and Climate Cell and Department of Botany, of the College on 30th November 2020 at 6:00 PM using the Google Meet (Google Suite) platform. The programme was inaugurated by Dr. Dhruba Chakraborty, Honourable Principal of the college. Dr. Nabami Basumatari, Head of Department of Botany presented a brief introduction of the Resource Person (Prof. Abhaya Prasad Das, Adjunct Professor, Rajiv Gandhi University, Arunachal Pradesh). The webinar was moderated by Mr. Sadiqul Ahmed, Assistant Professor, Department of Botany. There was a very elaborative and informative presentation by the resource person regarding the topic. There were participants of about 25 School Teachers and students from the 10 adopted schools, about 30 teachers and about 60 students of the college in the programme. The presentation was of a One Hour duration followed by an Interaction Session. There was a good interaction between the speaker and the listener. The programme ended with the offering of “Vote of Thanks” by Dr. Piyush Kumar Mishra, Assistant Professor, Department of Botany of the college.
