With increase in the unemployment, it is very much important to give importance to the skill based education system of the students so that they can able to earn their bread and butter with dignity and honour. As a part of that we have invited North East Skill Centre an institute referred by government of Assam to developed skill. The prime aim of the workshop was to inform the students about the courses that they have offered and details of the same. The programme was held on 29/04/2019 at 11.00 A.M. in the digital class room of the college. In the workshop Miss Swapna Basumatary and Miss Vandana Dekadoloï acted as resource persons. In their lecture they have informed the students about **one year International certification course** on Beauty & wellness, Retail services, Food Beverage services, Hospitality & housekeeping and many more. Further, they have also informed that 60% course fee of the course will be aided by state government of Assam and successful students will able to get International certificate from ITEES Singapore. They mentioned and showed the statistics proving 100% job guarantee of successful students who successfully completed the course. In the workshop 38 students attended from general course subjects of the college.
