“Screening process for undergoing three months training course to get employment in Airlines, Hospitality and Allied Sectors”

Organized by

“Career Counselling and Placement Cell”,
B. N. College, Dhubri.

Name of the program: “Screening process for undergoing three months training course to get employment in Airlines, Hospitality and Allied Sectors”.

Target group: TDC passed out students. (With age limit of 26 years)

Date: 16/08/2019

Venue: Digital Classroom, B. N. College, Dhubri

Participant: 90 (student)

To remember the establishment day of the college (that is on 16th August) in a different way, the Career Counselling and Placement Cell of the college has organized a program for the degree (TDC) passed out students. The ultimate aim of the program is to give the students employment in the field of Airlines, Hospitality, and Allied Sectors. In the particular day, we invited experts Mr. Anjan Chowdhury, Mrs. Alaka Patowary and Mrs. Manima Baruah from two reputed organizations namely “Indian Skill Academy” and “Jobhut” respectively. Both the organizations provide training to the students for appearing in the above motioned job interviews. The training program that they have provided is completely free of cost (along with food and lodging) for the students and is funded by the **State government of Assam** under “Assam Skill Development Mission”.

With response to our invitation, a total number of 94 students from our college as well as other colleges from Dhubri district (namely Bilasipara College, Chilarai College, Sapatgram College, PB College, etc.) have registered their name for the program. Each of the experts gives a beautiful introductory cum motivational lecture to the gathering. After that, the screening process for the selection of students to undergo a training course has started. In the end, 34 students have selected for the next session of three months training in “Indian Skill Academy” and “Jobhut” at Guwahati. The program was ended with the lecture of Mr. Anjan Chowdhury, in which he gives some glimpse on the upcoming training program which will be announced shortly.

To carry out the whole programming starting from inviting the experts the help that we got from Principal and co-ordinator of IQAC cell of our college is highly appreciable. Also, I would like to thank all the members of the cell for their active participation throughout the program.
