Year : 2019-2020

A major concern of higher education institute is the placement of the passed out students. The students must be skilful to cater the knowledge of their respective domain. Hence, the feedback from the employer plays a vital rule in designing and developing of a curriculum. A good feedback from the employer is basically the satisfaction over the employee, which indirectly reflect the mentoring/guidance of the alma-matter of the employee. The IQAC, B. N. College, Dhubri, has collected structured feedback from various employers regarding curriculum design through Google form questionnaire for the session 2019-20. There were 5 questions in the feedback form and total 5 feedback responses have received and the analysis of feedback of each question is presented below in the form of pie chart and bar diagram.

1. To what extent the curriculum fulfilled your expectation?
