STUDENTS FEEDBACK FOR THE SESSION 2018-2019

INTRODUCTION:

Student feedback was taken from the students of science, arts and commerce stream for the academic session 2018 – 2019. Data were collected from 1573 students (6th semester major/general students) regarding various parameters.

OBJECTIVE OF THE STUDENT FEEDBACK:

The main objective of the study was to know about the following parameters and to improve / arrangement of them on the basis of the response or answers received from the students.

The following points were included in the student feedback form:

1. To study the extent of coverage of course
2. To study the applicability /relevance to real life situation
3. To study the following points /parameters on teachers
 - (a) Regularity in taking classes, (b) Knowledge base, (c) Communication skill (d) Preparation for the class, (e) Sincerity/commitment (f) Accessibility in and outside the class etc.
4. To study the overall view of the student on the basis of the following points/ parameters
 - (a) The syllabus of each course
 - (b) How much of the syllabus was covered in the class
 - (c) Subjects offered by the college
 - (d) How far the unit test help to improve their studies
 - (e) About the library service provided by the college
 - (f) Availability of library resources
 - (g) Service provided by the college office
 - (h) Comment on drinking water and toilet facility provided by the college
 - (i) Facilities for extra-curricular activities
 - (j) To know about the teacher-student relationship

METHODOLOGY

The study was conducted by using questionnaire method. For this purpose a questionnaire was prepared including the points mentioned in the objectives of the study. There were 1573 students from which feedback were taken.

The data so collected were properly scrutinized and very careful statistical analysis of the survey is made.

FINDINGS AND CONCLUSIONS:

The first question included in the questionnaire was about the extent of coverage of course. It is observed that 46.72% students remarked as very good regarding extent of coverage of

course. 41.98% students answered as good, 8.89% answered as satisfactory and 2.56% of the students remarked as unsatisfactory.

Regarding the question on applicability / relevance to real life situation 38.85% students remarked as very good, 45.82% of students replied as good, 13.06% students remarked as satisfactory and 2.94% of the students remarked as unsatisfactory.

Regarding the question on learning value of the course content 49.37% students replied as very good, 37.38% remarked as satisfactory. 11.12% students remarked as good and 1.43% of the students remarked as unsatisfactory.

Regarding the question on over all rating 43.10% students replied as very good, 45.31% remarked as satisfactory. 9.82% students remarked as good and 1.43% of the students remarked as unsatisfactory

FEED BACK ON TEACHERS:

The answer received from students regarding teacher on various parameters mention in the objectives of the study is given in a separate chart (i.e. TABLE NO-2)

OVERALL EVALUATION OF THE COLLEGE:

Some questions were included in the questionnaire to know about fruitfulness of unit test, syllabus, library facility etc. provided to the students by the college authority.

A question was put regarding the syllabus of each course. Although the syllabus is different for different subjects, yet an average 52.80% students answered that the syllabus of the course is adequate, 34.72% answered as inadequate, 11.48% told as challenging and only 0.79% of the student answered as dull.

Regarding the question on how much of the syllabus was covered in the class, 36.30% students answered that 85-100% syllabus was covered in the class, 46.28% answered that syllabus was covered 70-80%. 15.45% informed that syllabus was covered 55-70% whereas 2.10% students informed that less than 55% was covered.

32.71% students informed that the subjects offered by the college is more than adequate, 59.96% students answered as adequate, 6.76% students answered as inadequate and only 1.10% of the students answered as poor. A question was put to the students regarding unit test held in our college. 56.02% students reported that unit test held were always fair, 36.64% replied as sometimes fair, 6.25% replied as sometimes unfair and only 1.49% of the students answered as usually unfair. 50.48% students replied that unit test is very effective to improve their studies. 40.61% replied as effective. 8.17% as sometimes effective and only 0.92% replied as ineffective.

Regarding teacher-student relationship 55.82% students replied as the relationship is very good. 34.16% replied as good, 8.14% as satisfactory and only 1.31% replied as unsatisfactory.

A question was put to students about library service provided by the college. 39.76% students remarked that library service provided by the college as very good. 43.68% students remarked as good and 13.44% remarked as satisfactory and 3.08% students remarked as unsatisfactory. On the other hand 31.24% students remarked that availability of library resources as adequate. 52.33% students remarked as more than adequate. 12.21% students remarked that availability of library resources as inadequate and 3.83% remarked as poor.

Regarding the question about service provided by the college office 32.19% answered as very good, 38.48% answered as good, 19.68% remarked as satisfactory and 10.14% remarked as unsatisfactory.

Only 25.49% of the students remarked that drinking water and toilet facility provided by the college is more than adequate. 43.59% of students remarked as adequate, 15.90% remarked as inadequate and 14.77% remarked as poor. Lastly a question on facilities for extra-curricular activities was put in the questionnaire. It is seen that 31.39% students remarked as very good. 41.81% students remarked as good. 19.18% students remarked about the extra-curricular facilities as satisfactory, on the other hand 7.11% students remarked as unsatisfactory.
