The programme started with a welcome address by Dr. Dhruba Chakrabortty, principal, B.N.College Dhubri. Prof Rajib Handique, Head of the Department of History, G.U. was one of the resource person of the webiner and in his valuable speech he highlighted that through out the course of history disease outbreaks have ravaged humanity and changing the course of history. The extension of trade in worldwide created new opportunities for human and animal interactions that sped up epedemic like malaria,tuberculosis,leprosy,smallpox etc in the early days. In many ancient societies, people believed that spirits and Gods inflicted disease and destruction as a punishment to sinner of society. The practice of quarantine,maintaining of physical distance etc began in 14th century in the time of pandemics as we today observed. Another resource person Dr. Sanghamitra Chaudhury, Assistant professor Department of peace and conflict studies and management, Sikkim Central university, Gangtok delivered her speech on impact of Covid-19 on women and she also highlighted that female leaders are more successful at managing the coronavirus crisis. In this regards she cited few examples of Denmark,Finland,Germany,Iceland,New zealand as supporting evidence that women are managing the crisis better than their male counterparts. Brief introduction of both the Resource persons were made by Rabindra Das, HOD, History, B.N.College Dhubri and Ebrahim Ali Mondal, Assistant professor, Department of History, B.N.College, Dhubri. Roja Ahmed, Assistant professor, Department of History, B.N.College, Dhubri (contractual) has been working as a moderetor and very nicely carried on the programme.
